Strawberry Plants	21, 22
Vines	11, 12

DELIVERY AND PLANTING SERVICE

Whenever desired, we are glad to attend to the planting of such shrubs, trees, plants, etc., as we may furnish any of our customers within convenient trucking distance of Exeter. Our trucks make several trips to Portsmouth, Manchester, Nashua, Concord, Dover, Rochester, Newburyport, Haverhill, Amesbury, York Harbor and many other nearby points in Maine, New Hampshire and Massachusetts each season. Estimates gladly furnished to any point on request.

LOCATION OF NURSERIES

One mile from the "Square" at Exeter on High Street, the Hampton road,—the main highway from Manchester to the beach. Six miles from Hampton and the Lafayette Highway (running from Boston to Portland, via Newburyport and Portsmouth), 32 miles from Manchester, 14 miles from Portsmouth, 10 miles from Amesbury, 20 miles from Haverhill, and 20 miles from Dover.

CASH DISCOUNT

When cash in full accompanies order, a 10% discount may be taken on Spring orders received before April 10, and a 5% discount on orders received before April 17.

At least 25% of the amount should accompany all orders, the balance to be sent at shipping time, otherwise shipment will be C. O. D.

Prices quoted are for stock at the nurseries or delivered to our railroad station. There is no charge for packing.

We are always ready and willing to correct errors on our part, but we are at no time responsible for any amount greater than the original sales prices. All claims for damage in transit must be made to the transportation company. Our responsibility ceases on delivery to the carrier.

We book all orders with the understanding that same shall be void should injury befall stock from fire, error in count, or other causes beyond our control.

TIME OF PLANTING

All stock listed in this catalog may be transplanted in the Spring. Peonies, Irises, and Evergreens may also be transplanted in August or later.

Perennials and pot grown strawberry plants may also be moved in September or later.

Apple Trees, Small Fruits, Grape-Vines, and most varieties of Shade Trees, Shrubs and Vines may also be transplanted in October or November.

EVERGREEN TREES

WARNING

In Buying Evergreens, Etc.

Don't Be Misled by advertisements that give only the **age** of trees. You are more interested in **size** than age, and trees that are advertised as 3 or 4 years old are probably less than 12 inches tall, possibly not more than 8 or 10 inches tall.

Buy By Size

Transplanting may be done in the spring or in the late summer or early fall.

Except when otherwise noted, ten trees of one size and one variety for nine times the price of one tree. Five trees for one-half this amount. Twenty-five or more trees will be sold at the hundred rate. Prices include burlapped ball of dirt.

Price on any sizes or varieties of evergreens not listed in this catalog will be furnished on request.

ARBORVITAE, AMERICAN. A shapely lawn tree, unequalled for hedges, shelters, or screens.

	Each		Each
2-3 ft.	\$1.25	6-7 ft.	\$4.00

STATE OF NEW HAMPSHIRE
 Department of Agriculture
 Division of Nursery Inspection

This certifies that inspection of the nursery of Granite State Nurseries, Inc., at Exeter, N. H., was completed The attached stock was included within the above inspection and is apparently free from dangerous insects or diseases.

(Signed) W. C. O’KANE,
 State Nursery Inspector.

HARDY ORNAMENTAL SHRUBS

EVERGREEN AND DECIDUOUS

Prices quoted are for at least 2-3 ft. shrubs, unless otherwise specified.

Small orders for shrubs can be sent by Parcel Post. Remit 10c additional for each shrub to cover special packing and postage. 5c each, when not less than 3 are ordered.

10 shrubs of one variety for nine times the price of one; except as noted; 5 for one-half the price of 10; 50 for one-half the price of 100.

Special quotations on quantities.

Almond, Flowering. Old-fashioned shrub, covered in the spring with small, double, rose-like flowers. White. Pink. 75c.

Althea, Rose-of-Sharon. Flowers in August and September. Erect and tree-like. Double pink or white. 3-4 ft., 50.

Aralia. Suitable for dry, sandy spots. Has glossy, deep green leaves. Makes a good hedge. 50c.

Azalea, Downy Pinksterbloom. (A. rosea). Abundance of fragrant, beautiful bright rose blossoms about Memorial Day. 12-18 in., clumps, \$1.25.

Azalea, Flame. Bears in profusion of brilliant orange-colored blossoms in June. 15-18 in., \$1.50; 18-24 in., \$2.00.

Barberry, Japanese. The best shrub for New England hedges. Absolutely hardy. Pretty at all seasons.

12-18 in., 25c each; \$2.00 for 10; \$17.00 for 100.
18-24 in., 30c each; \$2.50 for 10; \$23.00 for 100.
2-3 ft., 40c each; \$3.00 for 10; \$27.50 for 100.

Beauty Bush, (Kolkwitzia). This recent introduction is a veritable cloud of pink, covered as it is each spring with a profusion of tubular flowers. Grows 6-9 ft. tall. 2-3 ft., 65c.

Bridal Wreath. See Spirea.

Burning Bush. See Euonymous.

Butterfly Bush, or Summer Lilac. A free-growing shrub with fragrant, lilac-like flowers, 50c.

Coral Berry. A graceful small shrub suitable for dry spots. Small pink flowers followed by custers of coral red berries, 40c; 3 for \$1.00.

Cotoneaster, Rock (C. horizontalis). Suitable for rock gardens especially. Very dwarf and spreading. 15-18 in., \$1.25.

Daphne or Garland Flower. A low-growing evergreen shrub with clusters of fragrant pink flowers in early spring and again in the summer and fall. 6-9 in., 65c; 9-12 in., 90c; 12-15 in., \$1.25; 15-18 in., \$1.50.

Deutzia, Pride of Rochester. Pink and white flowers in early spring, on upright spikes. 50c.

Deutzia, Dwarf. (Gracilis). A very useful low-growing shrub with clusters of sweet, white flowers in May and June. 18-24 in., 50c.

Deutzia, Lemoine's A very pretty shrub growing 3-4 feet tall. Covered with white blossoms in June. 24 in., 50c.

Dogwood, Red-Barked. Beautiful bright red bark. Is especially ornamental in winter. 2-3 ft., 50c.

Dogwood, Golden-Barked. Pretty planted with the red. 50c.

Euonymous Winged or Burning Bush. So-called on account of its autumn color. Corky bark. Ornamental scarlet berries. Grows well in shady or dry spots and makes very pretty shrub. 50c.

Euonymous (Radicans Vegetus) or Evergreen Bittersweet. A very good ground cover in sunlight or shade. 8-12 in., 35c; 12-18 in., 50; extra size, 75c. (Not sold by height).

Euonymous, variegated. Green and white leaves. Small plants, 2 years, No. 1, 50c.

Forsythia, Golden Bell. The shrub with beautiful yellow blossoms which appear in April, before the leaves come out. 50c. Weeping variety, 50c.

High Bush Cranberry. Flat heads of white flowers in May-June, followed in July by scarlet berries. 50c.

Honeysuckle, Morrowi. White flowers followed by bright red berries. Spreading in form. 50c.

Honeysuckle, Tartarian. Upright grower with red flowers followed by bright red fruit. 50c.

Hugonis Rose. A beautiful shrub-like rose which is covered with fragrant yellow flowers in May. Has good foliage and is attractive as a lawn specimen. 60c.

Hydrangea, Everblooming, or Hills-of-Snow. Begins to produce white heads of flowers in June and continues until fall.

	Each	5-25
2-3 ft.	50c	45c each
3-4 ft.	65c	50c each

Hydrangea, P. G. One of the showiest and most popular shrubs. Cone-shaped clusters of white flowers which later turn pink. Very ornamental as single plants, in beds, or in rows. Prices same as Everblooming Hydrangea.

Hydrangea, P. G. Tree Form. Trained to a single stem or stalk, branching out at the height of about 3-4 ft., \$1.00; 4-5 ft., \$1.25.

Japanese Quince. Fire Bush. Scarlet flowers in May. 2-3 ft., 50c.

Lilac, Purple. State flower of New Hampshire. One of the good, old New England shrubs. 2-3 ft., 50c; 5 for \$2.00; 3-4 ft., 60c; 5 for \$2.50.

Lilac, White. Similar to above. 2-3 ft., 50c.

Lilac, Persian. More slender and refined than common variety. Fragrant, pale purple flowers in broad clusters. 2-3 ft., 60c.

NAMED VARIETIES OF LILACS

Abbreviations—"S," Single; "D," Double.
2-3 ft., \$1.00; 3-4 ft., \$1.25.

Belle de Nancy. D. Rose with white center.

Charles X. S. Reddish purple. Vigorous.

Congo. S. Deep reddish purple.

Marie Le Graye. S. Pure white. Fragrant.

Michael Buchner. D. Pale lilac. Very dbl. Dwarf.

Mme. Cassimer Perier. D. Creamy White. Late.

Pres. Grevy. D. Large blue flowers.

Ludwig Spaeth. S. Dark red. Large clusters.

Mountain Laurel. Broad-leaf evergreen shrub with great clusters of pink and white blossoms in June. 12-18 in. clumps, \$1.25; 18-24 in. clumps. \$1.75.

Pacysandra or Japanese Spurge. A low-growing and spreading broad leaf evergreen. 6-10 in. high, very useful as a ground cover in shady spots in place of grass, or in sunlight. Should be planted not less than 4 to the square foot. 25c; \$2.00 for 10.

Plum, Purple leaf. See trees.

Privet, California. Upright grower with dark green leaves. Liable to winter kill in exposed places, 2-3 ft., 15c each; 10 for \$1.00; \$7.00 for 100; 50 at the 100 rate.

Privet, Chinese (Ibota). A very hardy type, better adapted to northern New England than the California variety which it resembles. Makes an excellent hedge. 2-3 ft., 35c each; \$3.00 per 10; \$35.00 per 100.

Privet, Ibolium. A cross between Ibota and California. Has the hardiness of the former and the appearance of the latter and is by far the best hedge plant.

	Each	Per 10	Per 100
18-24 in.	15c	\$1.25	\$8.00
2-3 ft.	25c	1.65	10.00

Rhododendron, (Catawbiense). Hardest and best all-around variety. Large trusses of rose-pink flowers. Dark, shiny green leaves. 1 ft. clumps, \$1.50; 18 in. clumps, \$3.00; 2 ft. clumps, \$4.00.

Smoke Bush. Much admired for its curious hair-like flowers which cover the whole plant and give the appearance of smoke in late summer. 75c.

Snowball, Japanese. A beautiful strong-growing shrub with clusters of white flowers in June. 75c.

Snowberry. Small pink flowers in summer, followed by waxy marble-like berries in fall. 50c; 3 for \$1.00.

Spirea, Anthony Waterer. The brightest color of all spireas. Pink flowers from June to fall. Low-growing. 18-24 in., 50c.

Spirea, Bridal Wreath (Vanhouttei). Surpasses all other spireas in beauty and grace. Fine foliage and slender arching branches covered with pure white flowers in May. Fine as a single specimen or planted in clumps, and makes a beautiful hedge.

	Each	Per 5-25	25-100
2-3 ft.	35c	30c each	25c each
3-4 ft.	40c	35c each	30c each

- Spirea, Korean.** (*S. Trichocarpa*). Forms dome-shaped bush 4-6 ft. tall and is covered in June with large round clusters of snowy flowers. A new shrub which will be very popular. 2-3 ft., 50c.
- Spirea Prunifolia.** The true Bridal Wreath. Round, shining leaves, which assume beautiful autumn color. Many white flowers in May. 50c.
- Spirea, Tunbergi.** Has flowers in long, close clusters in April and May and retains its fine delicate foliage until late fall, changing to a beautiful color. 50c.
- Summerswest (Clethra).** Racemes of creamy white flowers with spicy fragrance. July to September. 18-24 in., clumps, 50c.
- Syringa, Golden.** A compact-growing shrub with beautiful yellow foliage in the spring. Makes a pleasant contrast with other shrubs. 18-24 in., 50c.
- Syringa, Large-Flowered.** Vigorous grower, 2-3 ft., 50c; 3 for \$1.25.
- Syringa, Virginalis.** Very large, semi-double fragrant flowers. Beautiful and much admired. 50c.
- Syringa, White or Mock Orange.** Creamy white, orange-scented flowers in May and June. 50c.
- Virburnum, Mayflower (Carlesi).** A new variety with clusters of early, pink flowers which have Mayflower fragrance. 18-24 in., 50c; 2-3 ft., 75c.
- Weigelia, Eva Rathke.** Showy, rich reddish-purple flowers in profusion. 60c.
- Weigelia Rosea.** For several weeks in early summer covered with pink trumpet-like flowers. 50c.

HARDY ORNAMENTAL VINES

Useful for trellises, screening porches, covering fences, piles of rock, and the like.

10 vines of one variety for 9 times the price of one. 5 for one-half the price of ten.

Vine can be sent by Parcel Post. Add 5c each.

Bittersweet or Roxbury Waxwork. Good for covering trellis-work, trees, walls, etc. Orange flowers and showy crimson fruit. 50c; 5 for \$2.00.

Clematis Paniculata or Virgin's Bower. One of the best porch vines; rapid grower, quickly covering trellises with its handsome bright green foliage and profusion of star-shaped, white, sweet-scented blossoms. 50c; 5 for \$2.00.

Clematis Jackmani. The best purple clematis. Rapid climber. Very pretty. July to September. 75c.

Dutchman's Pipe. Rampant grower. Large leaves and curious pipe-shaped flowers. Does well in sun or shade. Give it rich, moist soil for best results. \$1.00.

Euonymous Radicans Vegetus or Evergreen Bittersweet. A spreading, shrubby vine, useful on low trellises, rocks, walls, or the like and a very good ground cover, growing well in sunlight or shade. 8-12 in., 35c; 12-18 in., 50c; 4 years, 75c.

Euonymous Radicans Variegated. Green and white leaves. 2 years, No. 1, 50c each.

Honeysuckle, Hall's Japan. A strong grower with white-yellow flowers in August. Suitable for covering trellises, banks and the like. 40c.

Honeysuckle, Scarlet Trumpet. Covered with scarlet trumpet-shaped flowers from June to September. 50c.

Ivy, Boston. A popular vine for public buildings of brick or stone, 2 yr., No. 1, 50c; 5 for \$2.25; 25 for \$10.00.

Ivy, Engleman's, or Clinging Woodbine. Finely divided leaves and strong tendril discs enabling it to cling to any surface, like Boston Ivy. A good wall covering. Should be used extensively. Hardy. 50c.

Lace Vine (Polygonum Auberti). Truly a beautiful vine, with its clouds of erect sprays of lacy flowers. 75c.

Trumpet Vine. A good climber with clusters of trumpet-shaped flowers. 50c.

Wisteria, Blue. Rapid growing, woody climber with drooping clusters that should be used extensively. 75c.

Wisteria, White. A rare variety of above; similar except the flowers are pure white. 75c.

Woodbine or Virginia Creeper. Sometimes called American Ivy. Well-known rapid growing climber. Foliage large, deep green, taking on vivid color in the fall. 50c; 5 for \$2.00; 25 for \$7.50.

ROSES

HARDY RUGOSA ROSES

A hardy type which has a long blooming season, followed by the ornamental large red fruits. Curiously wrinkled foliage. Very spiny. Will grow almost anywhere.

2 year, No. 1 plants, 60c each; \$5.00 for 10.

F. J. Grootendorst. Bright red clusters of flowers, which are produced throughout the season. Ideal for hedges or massed planting.

Hansa. Dark purple red. Especially hardy.

Rosa Rugosa Red. 50c each; \$4.50 per 10.

Hugonis Rose. Golden Rose of China. Fragrant yellow flowers 2½ in. across, forming continuous bands of color on long gracefully arching canes. Blooms very early and is perfectly hardy. Choice 2 year bushes, 60c each.

MOTHER'S DAY

Sunday, May 8, 1938

Remember it with the gift of a shrub, rose-bush, or some other joy-giving plant; or set out a living reminder on this day.

HYBRID TEAS

Price 50c each. Any 5 or more 40c each.

Rose bushes can be sent by Parcel Post. Add 5c per bush.

Gruss an Teplitz. A fragrant scarlet, free-growing rose, which is in bloom nearly all summer.

Hadley. Velvety-crimson blooms. Very good for cutting.

J. L. Mock. Brilliant pink. Very double.

Kaiserin Auguste Victoria. Most popular white Hybrid Tea. Very double and very fragrant.

Lady Hillingdon. Blooms continuously. Beautiful apricot-yellow. Probably the hardiest Tea rose.

Mme. Caroline Testout. Large, bright rose-pink. Very fragrant and one of the hardiest.

Ophelia. Long-pointed pearl pink and gold buds. Pearly-white blooms which are produced in profusion.

Radiance, Pink. Produces abundance of brilliant rose-pink blooms of great fragrance and excellent form. Very popular and quite hardy.

Radiance, Red. Same good habits, blooming qualities, healthy foliage, and delightful fragrance as Pink Radiance, but brilliant cerise-red.

Souvenir de Claudius Pernet. Striking sun-flower yellow with large, glossy foliage. Quite hardy.

Talisman. A truly beautiful combination of brilliant orange-red buds and glowing yellow and copper shades in the blooms suffused with copper-red and orange rose shades. Especially good in spring and fall.

HYBRID PERPETUAL ROSES

The leading variety in each color. 2 year No. 1. Field grown plants. Prices same as Hybrid Teas.

Frau Karl Druschki or White American Beauty. The very best white. A great bloomer, fine for cutting and will grow anywhere.

General Jacqueminot. Bright crimson. Known as the Jack Rose. Rich velvety, a truly wonderful variety. Like Frau Karl Druschki, needs careful pruning and thinning.

Mrs. John Laing. Soft pink. One of the very best hardy roses that was ever grown. A great bloomer.

Paul Neyron. Bright pink. A hardy, healthy variety which generally blooms again in the fall. Almost thornless. Produces very large flowers.

HARDY CLIMBING OR RAMBLER ROSES

Add 5c per bush if to be shipped by Parcel Post.

Climbing American Beauty. An unusually hardy variety, suited for northern exposures in any locality. Beautiful rosy crimson flowers on separate stems, suitable for cutting. Has very good foliage and is a very satisfactory variety. Not a vigorous climber. 50c.

Dorothy Perkins. Beautiful, large clusters of clear, shell-pink flowers. Thrifty and rapid grower, suitable, like Excelsa, for growing on trellises, pillars, posts, walls, or the like. 50c.

Dr. Van Fleet. By vote of the members of the American Rose Society, acclaimed the Best Climbing Rose. Beautiful big clusters of pink flowers. Vigorous grower. Glossy, healthy, dark green foliage. 50c.

Excelsa. The very best double red rambler. A decided improvement on Crimson Rambler, bearing fully as many flowers and retaining its foliage in a much healthier condition. Produces an abundance of large, double flowers. Vigorous grower. 50c.

Mary Wallace. Vigorous, rapid grower. Long-stemmed pink blossoms, good for cutting. 50c.

Paul's Scarlet Climber. The most vivid of all the climbers. This is a new variety and it is fast becoming the most popular on account of its wonderfully brilliant color. Has good, healthy foliage, is a vigorous grower, and produces an abundance of scarlet flower clusters. You will make no mistake if you plant this variety. 50c.

Silver Moon. Large, silvery white. 50c.

POLYANTHA OR BABY ROSES

2 year, No. 1 bushes, 50c each.

Add 5c per bush if to be shipped by Parcel Post.

Ellen Poulsen. Brilliant rose-pink. Very free flowering. Vigorous grower.

Miss Edith Cavell. A profusion of brilliant crimson flowers with white center. Borne in great abundance.

Orleans. Bright geranium red. Bushy plants covered with blossoms all season. Very popular.

GLADIOLAS

For a ready-mixed assortment, we especially recommend the following:

Exonian Mixture. A good assortment of beautiful varieties. 25c per doz.; 50 bulbs for 75c; \$1.50 per 100.

On all bulb orders amounting to \$1.00 we pay the postage. (Excepting C. O. D. shipments.)

Otherwise add 5c for each 12 bulbs.

CHOICE PEONIES

Special Offer No. 1—Three plants, one red, one pink, one white (our selection) for \$1.00, post paid.

Special Offer No. 2—Four white varieties post paid for \$1.00.

Early April and late summer shipment.

HARDY PERENNIALS

In addition to the varieties listed, we have others in the garden which are in bloom at various times during the season. You are cordially invited to come to see these at any time.

Those varieties marked * are suitable for rock-garden planting if desired.

Except where otherwise noted, we can supply the following list of plants at 20c each; \$2.00 per doz., comprising not less than six plants of one variety. (By mail, 25c each; \$2.20 per dozen).

Please bring the total of your order to at least \$1.00.

***Achillea. The Pearl.** 2 ft. Yields small double white flowers all summer long, suitable for cutting.

Agrostemma (Mullein Pink). 2 ft. Showy white foliage. Many pink-like flowers.

Anchusa, Dropmore. (Alkanet). A tall grower with gentian-blue flowers in May and June. Blooms over a longer period if not allowed to go to seed.

Anthemis. Hardy Marguerite. 2 ft. Excellent for cut-flowers all summer. Spreads rapidly.

***Ajuga (genevensis) Geneva Bugle.** 6 in. Creeping rock-garden or border plant. Deep blue flowers in May and June.

***Arabis. Rock Cress.** 6 in. Covered with white flowers in April and May.

***Armeria (Maritima) Thrift.** 6 in. Evergreen tufts of narrow green foliage covered in May and June and again in the fall with pink flowers in dense heads.

Asters (Michaelmas Daisies). Assorted. 25c; \$2.50 doz.

Astilbe. 2-4 ft. Many feathered heads of flowers in June and July. 25c.

***Aubretia. Rainbow Rock Cress.** 6 in. Covered with bright flowers in spring and early summer.

Bee Balm. (Monarda). 2 ft. Bright scarlet. July-August.

***Bleeding Heart. Dwarf.** 12-18 in. Fern-like foliage and drooping purplish red flowers borne all summer. 25c; \$2.50 per doz.

Bleeding Heart. 18-24 in. Popular old-fashioned plant with red, heart-shaped flowers in long racemes. May. 50c; 60c by mail; 5 or more, 40c each; 45c by mail.

Bocconia (Plume Poppy). 6-8 ft. Creamy white cones of flowers. July and August. Very rank grower.

Boltonia. 4-6 ft. Many pink aster-like flowers in bloom at once. August to October.

***Bugle.** See Ajuga.

***Calamintha.** 6 in. Aromatic plant with spikes of purple flowers in June.

Canterbury Bells. Cup and Saucer. Blue. 25c; \$2.50 doz.

Centaurea—See Corn Flower.

***Candytuft, Hardy.** 8-10 in. Evergreen foliage and dense heads of pure white flowers in spring.

Chives. 12 in. Ornamental plants with mauve flowers.

Chrysanthemums, Hardy. 25c each; \$2.50 doz.

Barbara Cumming. 2 ft. Late August—late October. Vigorous grower with clear yellow flowers over 3 inches across.

Early Bronze. September and October.

Jean Cumming. 2 ft. September and October. White.

Ruth Cumming. Reddish Bronze. October and November.

***Columbine.** 2 ft. Beautiful and graceful flowers in early summer. White, blue and rose.

Coreopsis. 2 ft. An abundance of rich yellow flowers throughout the summer. Very good for cutting.

Cone Flower, Purple. 3 ft. Purple-red flowers with cone-shape center. All summer.

Corn Flower. 2 ft. Violet-blue flowers from July to September.

Daisy, Persian (Pyrethrum). 2 ft. Very pretty red, pink, and white flowers with fern-like foliage.

Daisy, Shasta. Large white flowers in summer and fall.

Foxglove. (Biennial). Blue. Rose. White. 25c; \$2.50 doz.

***Funkia Plaintain Lily.** 18 in. Useful foliage plants in beds, borders and rock-work, with pale lilac flowers. Green-leaved and variegated. 25c each; \$2.50 per doz., 30c by mail.

Gallardia. Blanket Flower. 2 ft. Showy crimson and orange flowers with dark red centers. June to frost.

Golden Glow. 6 ft. Abundance of yellow flowers, July-September. 10c; \$1.00 doz.

Gypsophila. Baby's Breath. 2 ft. Abundance of small white flowers. July-August. 25c; \$2.50 doz.

Gypsophila, Bristol Fairy. 2-3 ft. Double. Vigorous grower with large flower clusters. If kept cut, will bloom all season. 50c each; \$5.00 doz.

Helenium, Autumnale. (Sneezewort). 5 ft. Bronze flowers in August and September.

Helianthus. Hardy Sunflower. 5 ft. Decorative and good for cutting.

Hens and Chickens—See *Sempervivum*.

***Heuchera (Coral Bells)**. 18 in. Profusion of coral red spikes in July and August. 25c; \$2.50 doz.

Hibiscus. Mallow Marvels. 5-6 ft. Hollyhock-shape flowers which do well in any soil. July-September. 25c; \$2.50 doz.

Hollyhock. 5-7 ft. Useful, tall-growing plants. White, pink, rose, yellow. Single and double. 25c; \$2.50 doz.

***Iris, Dwarf**. Grows 6-12 in. high and blossoms early in May. 25c; \$2.50 doz.

Iris, Japanese. 35c each, \$3.50 doz.

Iris, Siberian. Deep blue flowers with grass-like foliage. 25c; \$2.50 doz.

***Jacob's Ladder. (Polemonium)**. 18 in. Bell-shape blue flowers, May-June.

Lantern Plant, Chinese. Dense, bushy plant, bearing bright scarlet "lanterns" suitable for drying for winter decorations. 15c; \$1.25 doz.

Larkspur. Tall spikes of beautiful blue during the summer. Light and dark. 25c; \$2.50 doz.

Lavender. 18 in. Fragrant. Blue. 25c; \$2.50 doz.

Liatris. Kansas Gayfeather. 3-5 ft. Long spikes of rich purple flowers in July and August. Very pretty. Good for cutting.

Lily, Day-White. 1½-3 ft. Large, golden-green leaves. Fragrant. 50c; 5 for \$2.00; \$4.00 doz.

Lily-of-the-Valley. Beautiful, graceful flowers about Memorial Day. Clumps, 40c each; 45c by mail.

Lily, Lemon. 3-4 ft. June-July. Beautiful, clear, yellow. Fine for cutting. 25c.

Lupine. 3 ft. Beautiful spikes. Blue, Pink, White. June.

Lychnis (Chalcedonica) Maltese or Jerusalem Cross. 2 ft. July-August. Heads of brilliant orange-scarlet florets.

Phlox. See special list, Page 19.

***Phlox, Moss Pink (Subulata)**. 3-6 in. Low-spreading, moss-like plants covered with flowers in April and May. Separate colors, pink, white, or lilac.

***Pinks, Hardy Garden**. Dark green foliage and double flowers of good form on 10-12 in. stems. Scarlet, white, rose, red. 25c.

Platycodon. 2 ft. Many fine flowers. 25c; \$1.50 per doz.

Poppy, Oriental. 3 ft. Immense and brilliant red flowers in May and June. Should be planted early in the spring or in the fall. 25c; 30c by mail.

- ***Poppy, Iceland.** 12 in. Many brilliant flowers useful for cutting. Blooms throughout the season if not allowed to go to seed.
- ***Primula. Primrose, English.** 6-9 in. One of the earliest spring flowers. Bright yellow. Fragrant. 25c; \$2.50 doz.
- Salvia.** 3-4 ft. Profusion of sky-blue flowers in August-September.
- ***Sea Pink. (Armeria or Thrift).** 9 in. Rosy pink flowers all summer. Good edging plant.
- ***Sedum.** In assortment.
- ***Sempervivum.** In assortment.
- ***Snow-in-Summer. (Cerastium).** 1 ft. Covered with bell-shaped white blossoms in May and June.
- ***Soap-Wort.** Low-growing plant with small, bright rose flowers from May to August.
- Stokesia, Cornflower Aster.** 18 in. Bears many bright lavender blue blossoms. June-September. 25c; \$2.50 for 10.
- Sunflower. Orange.** 3 ft. July-August. Beautiful deep golden-yellow flowers suitable for cutting.
- Sweet Rocket. (Hesperis).** 2-3 ft. Spikes of sweet-scented flowers in May and June.
- Sweet William.** Very sweet flower heads with carnation-clove fragrance. June-July. Scarlet, white, pink.
- ***Thyme Citriodorus. Creeping Thyme.** 4 in. Lemon-scented foliage.
- ***Thyme Serpyllum. Mother-of-Thyme.** Dense mats of dark green foliage with dark red flowers.
- ***Thyme Serp. Coccineus.** Dark green foliage and bright red flowers.
- ***Tunica.** Low-growing tufted plant with light pink flowers all summer.
- Valeriana. (Garden Heliotrope).** 3-4 ft. Showy dense clusters of heliotrope-scented flowers in June and July.
- ***Veronica, Dwarf. (Rupestris).** 4 in. Spreading plant with deep blue flowers in May-June.
- Veronica. Spicata Speedwell.** 2-3 ft. Spikes of beautiful deep blue flowers. July-September. Very pretty.
- ***Vinca. Myrtle or Periwinkle.** Glossy, evergreen foliage. Extensively used for a ground cover, especially in shady places.
- ***Viola, Jersey Gem.** Covered with dark blue flowers from May to November.
- Yucca. Adam's Needle.** 5 ft. Spikes of fragrant, creamy white flowers. July-July. Evergreen, sword-like foliage. 25c; 30c by mail.

PHLOX

20c each; \$2.00 per dozen. By mail, 25c each; \$2.20 per dozen, **except as noted.**

B. Comte. 30 in. Mid-season to late. Light aster purple to deep purple. Intense lustre. Amaranth purple eye. 25c each; \$2.50 per doz.; 30c by mail; \$2.70 per doz.

Eclaireur. 30 in. Rhodamine purple with deep scarlet eye. Slightly fragrant.

Enchantress. Bright salmon pink. Dark red eyes. 25c each; \$2.50 per doz.; 30c by mail; \$2.70 per doz.

Miss Lingard. 30 in. Early white with faint red eye. Blooms very early and again later. Glossy leaves. 25c each; \$2.50 per doz.; 30c by mail; \$2.70 per doz.

R. P. Struthers. 2 ft. Mid-season. Rose color with crimson eye. Slightly fragrant, 25c; \$2.50 doz.; 30c by mail; \$2.70 per doz.

Thor. 30 in. Mid-season to late. Deep salmon pink overlaid with scarlet. Purple eye. Strong fragrance.

Dwarf Phlox. See under hardy perennials.

ASPARAGUS ROOTS

The best variety of all is Mary Washington. Consequently we are raising only this variety. Why not plant the best and why not let us fill your order with fresh-dug roots at reasonable prices?

2 Yr. Roots: 75c for 25; \$1.00 for 50; \$2.00 for 100; \$7.00 for 500; \$12.00 for 1000.

By mail: 80c for 25; \$1.10 for 50; \$2.10 for 100; \$7.50 for 500.

Planting suggestions on request.

PLUM TREES

2-Yr. trees, 4-5 ft., 85c each; \$7.50 for 10.

Varieties arranged in order of earliness.

For best results plant more than one variety.

Abundance. Cherry red, sweet, rich. Eating or canning.

Burbank. Cherry red. Enormously productive.

Lombard. Purple, medium size, good quality.

CHERRY TREES

Sour

2 Yr. trees, 5-6 ft., 75c each; \$6.50 for 10.

Early Richmond. Bright red. Slightly acid. Hardy.

Montmorency. Dark red. Large. Slightly acid. Very hardy.

English Morello. Blackish red. Slightly acid. Very hardy and productive.

Sweet

2 yr. trees, 5-6 ft., \$1.00 each; \$8.50 for 10.

Black Tartarian. Sweet, large and luscious.

Governor Wood. Sweet. Yellow and red. Large. Juicy.

APPLE TREES

2-3 yr. trees, 85c each; \$7.00 for 10; \$65.00 per 100.

(Don't buy "runts" in trees. You wouldn't buy "runty" pigs, calves, or chickens. They never catch up.)

SUMMER APPLES

Early McIntosh
Red Astrachan

Sweet Bough
Yellow Transparent

FALL OR AUTUMN APPLES

Gravenstein
McIntosh Red

Wealthy

WINTER APPLES

Baldwin
Cortland
Golden Russet

Delicious
Northern Spy

CRAB APPLES

Prices same as other apple trees.
Transcendent

QUINCE TREES

4-5 ft., \$1.00 each.

Champion

Orange

PEAR TREES

4½ ft. and up 85c each. Any 10 for \$7.50.
For best results plant more than one variety.

Clapp's Favorite. Best early pear. August.

Bartlett. Very popular. September.

Buerre Bosc. A fall variety. Very profitable for market. Melting. Pleasant.

Seckel. Fall. Rich and highly flavored. Small.

Worden Seckel. Medium size. Juicy, buttery.

Sheldon. Large, round, russet. Rich and spicy. Nov.

PEACH TREES

As with all our fruit trees, the varieties of peaches offered here have been carefully selected as the best for New England. They are all Free-stone and arranged in the order of their ripening.

50c each; \$4.00 for 10; \$35.00 per 100.

5 of one variety at 10 rate.

For shipment by Parcel Post, add 5c per tree.

Greensboro. Yellow-white overlaid with red. Hardy in wood and bud.

Champion. White with red cheek. Large. Delicious.

Rochester. Earliest yellow. Large and pretty.

Carmen. Creamy white with red blush. Great for home use or market.

Early Crawford. Very popular. Yellow. Good quality.

Belle of Georgia. White overlaid with red. Productive.

J. H. Hale. Very large. Deep yellow.

Elberta. Large golden yellow. Juicy, rich. Good quality. The most popular peach in New England.

GRAPE-VINES

2 Yr. Vines, 35c each; \$2.50 for 10, except as noted. 5 of one variety at the 10 rate.

On orders for 5 or more grape vines, we pay the postage except on C. O. D. shipments. For less than 5 vines, add 5c per vine for postage.

BLUE GRAPES

Moore's Early. One of the very best for New England.

Worden. Similar to Concord but larger, earlier, better.

Concord. Still a desirable variety and a great favorite.

RED GRAPES

Brighton. Bunch and berry, large. Quality fine.

Caco. Large, red and handsome.

Delaware. Small, fine flavor, popular.

WHITE GRAPES

Niagara. Bunch and berry, large. Fine flavor.

STRAWBERRY PLANTS

STANDARD VARIETIES

All perfect flowering.

50c for 25 plants; 75c for 50; \$1.00 for 100; \$4.00 for 500; \$7.00 for 1000.

We pay postage on lots of 500 or less except on C. O. D. shipments, until May 30.

Howard 17. For a good all-around variety for home or market, this has no superior. Among its many good qualities are the following: Earliness, good size, color, shape, shipping qualities, drought-resistance, productiveness, disease resistance, supply of pollen and length of fruiting season.

First Quality. Mid-Season. Very attractive berry, long and pointed. Sells very rapidly and is all that its name implies.

Brandywine. Late. A vigorous grower yielding high quality, large berries. An old favorite.

- Dorsett.** Early. Light red. Large. Good flavor.
- Fairfax.** Later than Dorset or Howard. Good flavor. Heavy yielder.
- Catskill.** Ripens with Fairfax. Good flavor. Large.

Prices quoted here are for spring of 1938, for April and May shipment.

For Fall Planting, we offer

Pot-Grown Howard 17

At \$1.50 per 25 by Parcel Post. \$4.00 per 100 by Express collect. Ready in August.

Prices on other varieties on request.

EVERBEARING VARIETIES

75c for 25 plants; \$1.25 for 50; \$1.75 for 100; \$6.00 for 500; \$11.00 for 1000.

We Pay the Postage on lots of 500 or less except on C. O. D. shipments, until May 30.

Progressive. Better quality than Mastodon. Dark glossy red. Earliest spring berry and a good fruiter all season long. Cultivate and fertilize it well and it will pay for itself many times over.

Mastodon. Produces a large quantity, both spring and fall, of big red berries. Best commercial Everbearer.

BLACKBERRIES

75c per doz.; \$1.25 for 25; \$3.50 for 100.
5c per dozen additional if by mail.

Snyder. Very hardy, productive variety. The best.

RASPBERRIES

FOLLOWING VARIETIES

65c per doz.; \$1.00 for 25; \$3.00 for 100; \$25.00 per 1000.
5c per dozen additional if by mail.

Latham. A hardy productive variety of good quality which has become the leader of them all within a few years.

Chief. A trifle smaller than Latham, but a slightly better berry and somewhat firmer. Ripens nearly a week earlier and is a good variety to prolong the season.

St. Regis. In a class by itself. Bright red fine quality. Very early. With good cultivation, produces fruit from June to October. Very profitable.

Cuthbert. The great commercial red raspberry. Good quality. Good cropper. Vigorous grower.

Hebert. Next to Latham in hardiness. Large red, good quality.

COLUMBIAN

\$1.25 per doz.; \$7.50 for 100.
5c per dozen additional if by mail.

Columbian. Purple. A very good cropper and one of the best for preserving. This variety does not spread and so can be kept under control very easily. We have found that the tip-plants are not satisfactory so are offering **one-year transplants**.

RHUBARB ROOTS, "PIE PLANT"

15c each; \$1.25 for 10. By mail, 20c each; \$1.35 for 10.

Linnaeus. The standard large, early variety.

ANNUAL AND VEGETABLE PLANTS

During the Spring season we have on sale large quantities of such Annuals as:

Asters, Petunias, Salvia, Cosmos, Marigold, Zinnias, and the like, and Tomato Plants in boxes of twelve.

FERTILIZER

BUELL

Buell Peat-Poultry Manure
"Two-in-One"

Peat-Poultry Manure

Moisture-retaining, humus-forming PEAT MOSS blended with the finest natural fertilizer, **poultry manure**. Free from weed seeds, practically odorless, and readily available for plant food.

BUELL Peat-Poultry Manure is a complete naturally balanced organic fertilizer and soil conditioner in dry granular form.

BUELL FERTILIZER COMPANY

5 lb. bag	50c
25 lb. bag	\$1.25
50 lb. bag	1.75
100 lbs. (2 50's)	3.00
1/4 ton (or more)	\$2.50 per cwt.

BUELL Peat Poultry Manure is an ideal top-dressing for lawns, golf-greens, and around shrubbery, small fruits, etc. Use it in composting, in making new lawns, in the nursery, in the flower garden, vegetable garden, or wherever a luxuriant foliage and floral growth is desired.

As a top-dressing use 5 lbs. to 10 lbs. to one hundred square feet (10 ft. x 10 ft.). When mixed with the soil, 10 lbs. to 20 lbs. to one hundred square feet is recommended. Applications vary as to individual soil types and conditions. For window boxes and house plants, mix two or three tablespoonfuls with each quart of soil. Then wet down thoroughly.

BUELL Peat-Poultry Manure is packed in 5 lb., 25 lb., and in 50 lb. bags.

Full directions on each package.

FINE-GROUND PEAT MOSS

Valuable as a mulch for Roses, Evergreens, Rhododendrons, and newly-set plants of all kinds. Absorbs 7 to 8 times its own weight in water and improves the moisture-holding capacity of the soil greatly.

Prices on request.
